Playground Rules - Spring Term 2021

<p>What did you like about the playground</p> <ul style="list-style-type: none"> • Large open spaces • Play with our friends • Equipment at playtime • Lots of fresh air • Teachers are outside with us 	
<p>What could be better?</p> <ul style="list-style-type: none"> • Some children need to play nicely and not push • Sometimes they are muddy • We are not always allowed to go on the apparatus • They need to be longer 	
<p>Other thought about playground Play ground Rules – We had these before Covid Review them – could they include:</p> <ul style="list-style-type: none"> • Keep Playgrounds safe by playing nicely • Keep off the grass, bush areas and woodland unless given permission • Keep away from muddy or icy areas • Play in a space – do not push or shove people • Stick to the apparatus rota – (needs updating) • Be gentle and kind to each other • Look after the playtime equipment and put it back in the bench • Play football games in the area you are told to. • Tell the teacher or lunchtime supervisor if you: <ul style="list-style-type: none"> ○ Are alone ○ Need help ○ Are hurt ○ Someone is being mean to you ○ Feel ill 	<p style="text-align: center;">This feedback has been forwarded to Miss Hathaway to see if she can help us to address some of these points in school</p> <div style="text-align: center;">  </div>
<p>Other playground things to think about</p> <ul style="list-style-type: none"> • Fixing the KS1 equipment as we are not allowed on it • Redo the rota for the apparatus • Is there anymore playground equipment for the benches as there isn't enough for everyone?
