Dear Parent/Carer

STEPPING OUT: PEDESTRIAN TRAINING FOR 7 - 9 YEAR OLDS

Your child is about to take part in a basic pedestrian awareness scheme, which involves classroom work and visits to roads near to the school. At the end of the scheme, parents and teachers will observe the children walking a route in the local area. To carry out the project, a number of volunteers are needed to help observe the children and maintain suitable adult to pupil ratios.

Practical Training The permitted children will take part in a guided walk around the local school streets on Tuesday 9th April 2024.

Observed Walk it is **essential** to have at least eight volunteers who will be positioned along the route. This will take place on Tuesday 16th April 2024 and each permitted child will walk the route by themselves whilst being observed by the volunteers and staff.

If you would like to assist, please indicate this when returning the consent form below. I hope that you will take every opportunity to reinforce the work your child will be doing in school.

If you would like further information, please contact Staffordshire County Council on 0300 111 8011.

Yours sincerely

Mary Anne Raftery
Community Infrastructure Manager

Stepping Out Consent Form – please delete as appropriate

I do / do not give consent for my child to be involved in the Stepping Out scheme and to take part in supervised activities in the local area.

I am / am not able to help with the Observed Walk on Tuesday 16th April 2024.
