**Dear Parents/Carers** 

#### **Parent/Carer Survey Summer Term 2023**

Now that the new school term is well and truly underway, I would like to thank everyone who took part in the parent/carer survey at the end of the last academic year.

The survey has now been collated and it has been great to gain such a large response from families and an insight into your opinions and thoughts about our school, which we have begun to take on board for this academic year.

Survey Overview - also available on our website

#### Parents' Survey 2023

Chadsmead Primary Academy ran an online survey during Summer 2023 to obtain feedback from parents and carers with children at the school. Thank you to everyone that took part, it is very much appreciated – we have been able to use this insight to support our existing plans for our school. Below is a summary of some of the key results ...

- Is happy at school
- Feels safe
- Does well
- Is appropriately challenged
- Prepared for the next stage of learning

Over 3 in 4 agree with these aspects of the curriculum ...

- · The school has high expectations for my child
- My child enjoys reading
- My child enjoys Maths
- · My child talks positively about history, science, etc
- I am kept informed of my child's development
- My child's wider development is supported

9 in 10 parents are highly likely to recommend our school to other parents

## Over 8 in 10 are positive concerning the school more widely ...

- I am kept up-to-date
- Staff are approachable
- Our views as parents are valued/ listened to
- The school teaches respect for others

### 90%+ agree with these comments regarding safeguarding ...

- My child knows who to speak to at school
- The school teaches safety online
- The school promotes a healthy and active lifestyle
- The school encourages healthy relationships

There were many positive comments about school shared by parents and carers (see comments below) and lots of great suggestions as to what we can improve on and make clearer for yourselves and children. We have already addressed comments made about communication and have created an interactive newsletter, sending the link out via MyEd to parents and carers each week.

Not all suggestions from the survey can be instantly addressed but we aim over time to spotlight areas in the school newsletter. Alongside your own views, children's views in school are regularly taken on board through the school's suggestions boxes and school council, where children can post or raise suggestions they have about our school.

Yours sincerely

Mrs G Grainger Headteacher
