

Strategic Plan Academic Year 2023 -2024

This plan is made in conjunction with the school's "Visions and Values" as published on the school's website and the CAT Strategic Visions and Values.

The Strategic aims of Governance at Chadsmead Primary Academy are below, and their delivery will be monitored and assessed via the Schools Standards Committee.

Governance Strategic Aim	
All pupils are in a safe, secure and welcoming environment conducive to high quality learning.	<ul style="list-style-type: none">• ensure full safeguarding training of staff and Schools Standards Committee (SSC)• monitor the implementation and corrective actions of safeguarding processes• ensure new Governors receive introductory governance training and are aware of their responsibilities• ensure all governors undertake regular training to enable them to carry out their safeguarding role• encourage school improvement and ensure best practice is maintained
The school provides high quality teaching delivered through a broad and balanced curriculum in line with both the National Curriculum and Ofsted latest guidance	<ul style="list-style-type: none">• understand and monitor the school curriculum and verify its implementation across the school• monitor and challenge the educational standards of the school• support and verify the identification of the gaps in children's learning, the steps taken to close those gaps and the resulting impact of those actions taken• ensure new governors receive introductory training on educational information within the reports and information specific to their own link areas• support the staff by introducing community opportunities to help bring the teaching "to-life"
The wellbeing of Staff and pupils are a focus in the school	<ul style="list-style-type: none">• monitor and support the leadership team in efforts to invest in the wellbeing of staff and pupils• support full participation in the CAT "growing great people" initiative and relevant CPD• ensure all governors receive introductory and on-going training opportunities on all necessary systems and policies
