Safe + Sound Events

Dear Parents and Carers,

Year 5 children have been invited to visit Lichfield Community Fire Station on Thursday 28th September at 9.30 a.m. to participate in the Safe + Sound event.

Staffordshire Safety Town is a multiagency approach to educate Key Stage 2 children on safety in the community. The aim of the scheme is to provide a fun and interactive education experience around safety for all Year 5 pupils, allowing them to take away key knowledge that can be shared with family and friends to keep our community safe.

On Thursday 28th September 2023, Year 5 children will depart for the fire station at 9:00 a.m. We shall be walking. Children will need to take a healthy snack and drink. Children will leave the Fire Station at 11.50 a.m. and return to school in time for a slightly later lunch. Lunch arrangements are as normal.

All children are required to wear school uniform, please ensure children bring along a waterproof coat and wear sensible outdoor footwear.

Yours sincerely

Mrs Chapman
Year 5 Teacher
