### Healthy Eating

We shared last year's school council findings and discussions about healthy eating in school.

### Roles and Responsibilities

We talked about the school councillor role. Information is in your school council pack.

### Happiness and Well Being

We talked about being a good citizen and looking out for others as a school councillor; spotting others who might need help and support and talking to trusted adults about any concerns you have.

### Safety

We talked about how we keep children safe in school and how as a councillor you can help to do this. We reminded school councillors of the noticeboards in school and to report concerns.

### Welcome to school council.

Old council members met new council members today as they handed over their responsibilities.

Badges will be given out in assembly at the end of the week.
