

19th February 2024

Dear Parents and Carers

World Book Week

As part of World Book Week our work in school will be centred around 'The Tear Thief' book and children will be creating their own poetry work. During the following week we are going to share our poetry work with other schools within our trust. We feel this will give an audience and purpose to the writing whilst also building oracy skills.

To share our work, we will be taking part in a TEAMS video call with both Stoneydelph and Woodlands schools. For your child to be involved in the video call, please complete the slip below and return to school as soon as possible.

If no form is returned, we will assume you do not wish your child to participate.

Thank you for your continuing support.

Mrs G Grainger
Headteacher

World Book Week

☐

I would like my child to participate in the TEAMS video call

☐

I do not want my child to participate in the TEAMS video call
