

Chadsmead Primary Pupil Premium Strategy Statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Applications for Free School Meals

Parents/carers wishing to apply for free school meals should contact the school office where you can complete an application form.

Further information can be located at: www.staffordshire.gov.uk/education/Educational-awards-benefits/FreeSchoolMeals/Overview.aspx

Applications can be made on line at www.staffordshire.gov.uk/Education/Educational-awards-benefits/FreeSchoolMeals/Apply-online.aspx

Infant aged children (those in Reception, Year 1 or Year 2) can receive free school meals even if they don't meet the entitlement criteria listed below. However, for every pupil registered with the council as eligible under the entitlement criteria, the school will receive additional funding called 'Pupil Premium' which we use to help raise achievement levels as stated below. Therefore, if you meet any of the entitlement criteria, have a child in Reception, Year 1 or Year 2 and have not applied for Free School Meals, it is imperative that you do so in order to obtain additional funding for your child's school.

Entitlement criteria is -

- Income Support
- Income Based Job Seekers Allowance.
- Income Related Employment and Support Allowance.
- eligible for Child Tax Credit **but not** Working Tax Credit and the household income is not more than £16,190.
- The guaranteed element of State Pension Credit
- Support under part VI of the Immigration and Asylum Act 1999
- In receipt of the 4-week run on of working tax credit
- Universal credit

Criteria can be found at:

- www.staffordshire.gov.uk/Education/Educational-awards-benefits/Free-SchoolMeals/Q001.aspx

School overview

Detail	Data
School name	Chadsmead Primary Academy
Number of pupils in school	248
Proportion (%) of pupil premium eligible pupils	Sept 2023 = 80 Pupils (32%)
Academic year/years that our current pupil premium strategy plan covers	2022 – 2023 2023 – 2024 2024 – 2025

Recovery Premium funding allocated next academic year	TBC
Pupil premium funding carried forward next previous years	TBC
Total budget for this academic year	TBC

Part A: Pupil Premium Strategy Plan

Statement of intent

What are your ultimate objectives for your disadvantaged pupils?

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides across the curriculum.
- All pupils have access to high quality teaching and should when they require it additional targeted support and or intervention.
- All pupils, irrespective of being at a disadvantage or not, engage in all aspects of the school's life and are treated fairly and equally.
- Pupils in receipt of pupil premium are prioritised in the allocation of increased levels of support in areas of identified need.
- It is important to take a 'long term view' to stop achievement gaps from widening. Some of our long-term objectives will take more than an academic year to come to fruition.

How does your current pupil premium strategy plan work towards achieving those objectives?

- Appropriate provision is made for pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups to address identified gaps in learning, cultural capital and life experiences.
- Pupil premium spending is allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough.
- Our Pupil Premium funding is spent in a wide and imaginative variety of ways, to benefit the wide variety of interests and needs of our children.
- Our Pupil Premium funding is spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available.

What are the key principles of your strategy plan?

- Pupil's needs are targeted and met to ensure the most effective progress can be made and attainment achieved for an individual pupil.
- Pupil's emotional wellbeing need are met as well as any social and emotional needs are addressed through school support systems supported by pupil premium funding allocations.
- Pupil's life experiences are enriched because of attending Chadsmead in order that they are aware of the world around them and develop high aspirations for their future selves.
- We are aware that pupils who receive free school meals are not necessarily socially disadvantaged or making inadequate progress.
- We are aware that not all pupils who are socially disadvantaged are registered or qualify for free school meals.

Effectiveness of Pupil Premium money will be measured through:

- Termly analysis of pupil attainment and progress results overtime
- Evidence from monitoring within school including book scans, learning walks and pupil progress meetings.
- Pupil voice & feedback from learning experiences.
- Impact of intervention programmes at termly review points.
- Impact of Professional Development training on staff and its impact on children
- Termly tracking of PP children – Pupil Passports & Graduated Response

Our school Pupil Premium Champion is Mrs Helen Cadman (SENCO)
Our Governor Pupil Premium Champion is Ms Snashall (Governor)

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our assessments indicate lower levels of academic attainment and progress of some identified disadvantaged children in phonics, reading, writing and maths.
2	Our assessments, observations and discussions with pupils have found that low levels of Speech and Language development exist for a large proportion of disadvantaged children on entry and in key stage 1, which can impact on children's understanding of vocabulary.
3	Discussion with pupils and internal analysis of our redesigned curriculum has identified that there is room for development with regard to the cultural experiences / opportunities experienced by some disadvantaged children that may result in lower levels of expected achievement and self –resilience.
4	Discussions with families of disadvantaged children and low levels of attendance at parental workshops and information sessions have indicated that there is a need to support learning for some identified disadvantaged pupil's life experiences, hopes and dreams including their exposure to technology.
5	Our attendance data indicates those who are Pupil Premium and have repeatedly not met the 96% threshold / persistently absent (despite the rewards that children receive through the school's celebration systems to ensure that all children are valued and received praise and rewards throughout their time at school for hard work and the school values) indicate that their absenteeism negatively impacts on their progress.

Intended outcome.

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>Challenge 1: The attainment and progress of children in phonics, reading, writing and maths.</p>	<ul style="list-style-type: none"> • Formal monitoring and assessment will identify gaps in learning for all PP children through strategic assessment points in the year and acted upon through pupil progress meetings enabling the identification of any PP children requiring further support or intervention to aid their academic progress. • The gap will be closed between PP children's attainment in phonics, reading, writing and maths when compared to non-PP children over time. • The progress outcomes of PP children term on term will match the previous term's at least or be better.
<p>Challenge 2: Levels of language acquisition / speech and language communication needs</p>	<ul style="list-style-type: none"> • Levels of language acquisition will be improved through formal diagnostic assessment; additional SCLN checklists and formal SALT Speech and Language assessments for identified pupils. • Formal monitoring and assessment will identify gaps in learning for all PP children through regular planned assessment points enabling the identification of PP children requiring further support or intervention to aid their speech and language acquisition. • The gap will be closed between PP child's starting points and expected levels of acquisition for Early Years • Oracy skills will be developed across the whole school in order to support and develop all children's speaking, listening and communication skills.
<p>Challenge 3: Additional cultural & life experiences</p>	<ul style="list-style-type: none"> • All PP children will attend educational visits, visitors and experiences that enhance the curriculum. • All PP children will have the same opportunities as non-PP children to access the range of extra-curricular clubs on offer. • There will be an increased number of PP children attending extra-curricular clubs.
<p>Challenge 4: Parental Engagement</p>	<ul style="list-style-type: none"> • There will be higher levels of PP parental engagement through a range of meetings, workshops, events, support opportunities and community-based experiences that involve parents in their child's learning journey. • There will be technology access for parents/carers within school should parents/carers be unable to access online information relating to school information. • Improved communication systems with parents through an up-to-date website, weekly newsletter and easily accessible communication app (MyEd)
<p>Challenge 5: Improve attendance of identified vulnerable children.</p>	<p>Sustained / Improved levels of attendance demonstrated by:</p> <ul style="list-style-type: none"> • rigorous tracking and monitoring of attendance and reasons for absences,

	<ul style="list-style-type: none">• Continuing to identify, obtain and record reasons given for all absences and act upon those which are not appropriate reasons for absence.• ensuring where possible that all children achieve more than 96% attendance using the DFE hub and Trust advice and guidance.• Continuous praise and reward of success through the school's celebration systems.• Continued signposting of parents and children to support services to support any underlying causes / reasons for absence that cannot be addressed within school.

Activity in this Academic Year 2023 - 2024

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: **Approx £ 60,000**

Activity	Evidence that supports this approach	Challenge number(s) addressed	Termly Review and update
Development of the embedded Maths Mastery approach	<ul style="list-style-type: none"> All children provided with arithmetic starter activity within lesson to address any gaps in learning. All maths lessons adapted where necessary so that children meet the objective set through adaptive teaching. Additional targeted support for children working below ARE within QFT and targeted intervention in addition to the lesson Development of the knowledge-based curriculum that can respond to pupil need <p>EEF Toolkit Within Class Attainment grouping + 2 months</p>	Challenge 1	<p><u>Autumn Term Outcomes</u> Additional intervention programme trialled by maths lead for identified pupils working below has been successful and targeted support in class for those pupils not yet working at ARE continued.</p> <p><u>Spring Term Outcomes</u> Additional intervention programme has continued for targeted children;</p> <p><u>Summer Term Outcomes</u> Additional intervention programme has continued for targeted children; KS2 Maths Outcomes 66%</p>
Continued use of the Read Write Inc Phonics Programme	<ul style="list-style-type: none"> All classes from Nursery to Year 2 follow the RWInc Phonics Programme. Intervention Programme / small group support for LKS2. Fresh Start Programme run for UKS2: Whole class reading approach taught from Year 2 upwards for those children meeting ARE / secure phonic knowledge using a VIPER approach to learning reading skills. Professional development to support the implementation and mentoring of others to effectively deliver RWINC Phonics programme and feedback. <p>EEF Toolkit Within Class Attainment grouping + 2 months</p> <p>EEF Toolkit Phonics +5 months</p>	Challenge 1	<p><u>Autumn Term Outcomes</u> Improved amounts of children have completed the RWInc programme this term from 1 in 5 KS1 pupils to nearly 1 in 3 Key stage 1 pupils now completing whole class reading. Over half the pupils beginning fresh start programme in September have now completed this additional intervention.</p> <p><u>Spring Term Outcomes</u> Fresh Start Intervention is now complete with all children completing the programme. Over half of the Key stage 1 pupils have now completed the RWINC programme including nearly 1 in 3 Y1 children.</p> <p><u>Summer Term Outcomes</u> Two thirds of the key stage have now completed the RWINC programmes including 3 out of every 5 children in Year 1.</p>
Continued use of Accelerated Reader Reading Systems	<ul style="list-style-type: none"> All classes from Year 2 to Year 6 follow QFT whole class reading. All pupils once their phonic knowledge is secure are included in the Accelerated Reader Programme Key learning includes: learning new vocabulary, how to infer meaning from context; prediction, retrieval skills, summary skills 	Challenge 1	<p><u>Autumn Term Outcomes</u> Approximately three quarters (including nearly two-thirds of the Schools' PP population) of the whole school population is working at or above age-related expectations in reading overall.</p> <p><u>Spring Term Outcomes</u> Approximately three quarters (including nearly two-thirds of the</p>

	<ul style="list-style-type: none"> Development of high quality teaching of reading to support the VIPER reading approach through whole class teaching of reading. Use of Accelerated Reader to support diagnostic assessment of reading <p>EEF Toolkit Within Class Attainment grouping + 2 months</p>		<p>Schools' PP population) of the whole school population continue to work at or above age-related expectations in reading overall.</p> <p>Summer Term Outcomes</p> <p>Three quarters of the whole school population are working at or above expected levels of reading for their year group.</p>
Continuation of the NELI Programme / Welcome Program	<ul style="list-style-type: none"> Nursery and Reception Classes undertake SCLN Focused teaching and learning including the NELI / Welcom Programme: Additional support is provided through external advice from NHS speech and Language therapy when assessments are undertaken for those children significantly below. Support and mentoring for EYFS staff to deliver the approach <p>EEF Toolkit Within Class Attainment grouping + 2 months</p>	Challenge 1, 2	<p>Autumn Term Outcomes</p> <p>One quarter of EYFS pupil are known to the SALT service with 2 out of 5 Reception pupils being involved in speech and language support within Reception. Programmes in place are addressing individual needs shown through positive data outcomes.</p> <p>Spring Term Outcomes</p> <p>1 in every 3 Reception aged pupils and 1 in 4 Nursery aged pupils known to the Speech and Language Therapy Service. Programmes in place continue to address individual needs that are shown through positive assessment outcomes</p> <p>Summer Term Outcomes</p> <p>16% of children in EYFS are known to the Speech and Language service - Programmes in place continue to address individual needs that are shown through positive assessment outcomes</p>
Further development of the Whole School Oracy Project	<ul style="list-style-type: none"> All classes from EYFS to Year 6 will embed oracy skills and storytelling through lessons. Pre tutoring of subject specific vocabulary is a key feature of every lesson. QFT expectations ensure speaking is in sentences. Children are encouraged to develop their skills and confidence to reading aloud through whole class texts providing a language rich curriculum. Mentoring of teachers to support and implement the whole school approach. <p>EEF Toolkit's Oral Language Interventions + 5 months</p>	Challenge 2	<p>Autumn Term Outcomes</p> <p>Early years poetry basket has shown that regular daily speaking and listening activities hare positive for memory recall, as well as speaking and listening.</p> <p>Sauve word of the week is now embedded, shared with parents and used in written work across school.</p> <p>Extension writing assessment training has been put in place for all staff to greater analyse of writing outcomes to support teaching and learning as well as developing pupil editing and improving skills.</p> <p>Spring Term Outcomes</p> <p>Monitoring and observation of the school's key approaches has shown that Oracy is becoming firmly embedded in school life, across all curriculum areas as well as collective worship. Sauve language is encouraged at every opportunity the English continues to work closely with staff to maintain the positive ethos surrounding language use in school</p> <p>Summer Term Outcomes</p> <p>Ongoing inclusion of the five modes of oracy remain in place within the curriculum; Children speaking in full sentences as an expectation is embedded and inclusion of suave words into writing is developing well.</p>
Continuation of Nursery Provision	<ul style="list-style-type: none"> Recruitment and retention of staffing to maintain provision in for Nursery aged children. Provision is open from aged 2 onwards allowing early identification of need prior to Reception. 	Challenge 1, 2, 3	<p>Autumn Term Outcomes</p> <p>Nursery has remained open during the autumn term; referrals to medical universal services, EY forum and Malachi parental support have supported parents and school.</p> <p>Spring Term Outcomes</p>

	<ul style="list-style-type: none"> Intakes occur at different points during the year encouraging parents to bring children to the EYFS setting from this age onwards: EEF Toolkit Within Class Attainment grouping + 2 months 		<p>Nursery continues to develop and has successfully included the spring term intake into its numbers, resulting in an increased staffing being required and retention of current staff required.</p> <p>Summer Term Outcomes</p> <p>Continuation of Nursery provision has occurred and additional support through Educational Psychologist, Early Years SENCO and Early Years Forum has been obtained to help advice regarding provision of needs.</p>
--	--	--	--

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: **Approx. £ 70,000**

Activity	Evidence that supports this approach	Challenge number(s) addressed	Termly Review and update
Continuation of Targeted Support - Phonics	<ul style="list-style-type: none"> Small Read Write Inc groupings across EYFS & Key stage one that systematically teach pupils the relationship between these sounds and the written spelling patterns, or graphemes, which represent them. Year 3 and 4 pupils requiring input to secure phonics are included in the Read Write Inc small group sessions. Year 5 and Year 6 pupils requiring input to secure phonics are included Fresh Start. TA deployment to support quality first teaching in the classroom and the delivery of phonics catch up. Teacher feedback to children about their phonics <p>EEF Toolkit Phonics + 5 months EEF Toolkit small group tuition + 4 months EEF Toolkit Feedback +6 months EEF Teaching Assistant Interventions + 4 months</p>	Challenge 1	<p>Autumn Term Outcomes</p> <p>5 RWINC groups established in September (Not including reception) following assessment in addition to a KS2 Intervention group and whole class reading group for those who had completed the RWInc programme including 16% of LKS2. Fresh start intervention included 11% of UKS2.</p> <p>By the end of the autumn term there were 6 RWINC groups following assessment including Reception in addition to a KS2 Intervention group and whole class reading group for those who had completed the RWInc programme including 7% of LKS2. Fresh start intervention included 5% of UKS2.</p> <p>Spring Term Outcomes</p> <p>By the end of the spring term there were 5 RWINC groups including Reception and 2 Whole Class Reading Groups. The KS2 Intervention group was no longer required and 7% of LKS2 children (SEND / EAL pupils) continue to join RWINC groups.</p> <p>Summer Term Outcomes</p> <p>Following the end of term assessments the current KS1 cohort will be taught across 3 RWINC groups in September and 2 Whole Class Reading groups. None of the current LKS2 children will continue to be required to join RWINC groups in September.</p>
Continuation of Targeted Support - Reading	<ul style="list-style-type: none"> Accelerated Reader programme across Y2 – Y6 & Subscriptions Targeted reading support in class & through intervention and use of structured questioning Pupil Progress groups focus on fluency, comprehension, or vocabulary. (reading resources) Before school reading intervention for KS2 	Challenge 1	<p>Autumn Term Outcomes</p> <p>Good progress in most year groups following reading approaches in school.</p> <p>Spring Term Outcomes</p> <p>All children once completing the RWINC programme join the schools Accelerated Reader programme.</p>

	<ul style="list-style-type: none"> • 1:1 reading support including precision teaching • TA/Teacher deployment to support quality first teaching in the classroom and the delivery of reading • Teacher feedback to pupils about their reading • National Tutoring Programme (NTP) to provide small group tuition in writing for identified groups. <p>EEF Toolkit Individualised Instruction + 4 months EEF Toolkit Reading comprehension + 6 months EEF Toolkit's Oral Language Interventions + 5 months EEF Toolkit small group tuition + 4 months EEF Toolkit Extending school time + 3 months EEF Toolkit One to one Tuition + 5 months EEF Toolkit Feedback +6 months EEF Teaching Assistant Interventions + 4 months</p>		<p>1 in 5 children are targeted within class across school to support their reading within quality first teaching and nearly half of Y6 children voluntarily stay after school twice a week to improve their reading.</p> <p>Over 80% of the Pupil Premium Children and over 85% of all children are making expected or better than expected progress with regards to their reading.</p> <p><u>Summer Term Outcomes</u> KS2 Reading Outcomes 74% in line with national data outcomes. – All Children</p>
Continuation of Targeted Support – Maths	<p>Recovery Funding – Tutoring Mastery Approach to teaching and learning Pupil progress targeted arithmetic support. Before after/school maths intervention KS2 Times table Rock Stars Subscriptions EYFS Maths Subscription National Tutoring Programme (NTP) to provide small group tuition in writing for identified groups. Teacher feedback to pupils about their maths TA deployment to support quality first teaching in the classroom and the delivery of maths interventions. PPA and Year 6 staffing allows for reduced class sizes in some areas resulting in greater focused teaching and smaller teacher/pupil ratios.2 EEF Toolkit: reducing Class Sizes +2 months EEF Toolkit small group tuition + 4 months EEF Toolkit Mastery Learning + 5 months EEF Toolkit Extending school time + 3 months EEF Toolkit Feedback +6 months EEF Teaching Assistant Interventions + 4 months</p>	Challenge 1	<p><u>Autumn Term Outcomes</u> Good levels progress in most year groups following mastery approaches in school.</p> <p><u>Spring Term Outcomes</u> Good levels progress in all year groups following mastery approaches in school have continued during the spring term.</p> <p><u>Summer Term Outcomes</u> Good levels progress in all year groups following mastery approaches in school have continued during the summer term.</p> <p>KS2 Maths Outcomes 66%</p>
Continuation of Targeted Support – Writing	<p>Recovery Funding – Tutoring Structured handwriting intervention groups; Pupil progress targeted writing composition support SpAG. Com Subscriptions for Y5 and Y6 Grammarsaurus Subscription National Tutoring Programme (NTP) to provide small group tuition in writing for identified groups. Teacher feedback to pupils about their writing TA/Teacher deployment to support quality first teaching in the classroom and the delivery of writing interventions EEF Toolkit small group tuition + 4 months EEF Toolkit small group tuition + 4 months EEF Toolkit Feedback +6 months</p>	Challenge 1	<p><u>Autumn Term Outcomes</u> Satisfactory levels progress in most year groups have been made following writing approaches in school however this area of learning remains a focus for the spring term.</p> <p><u>Spring Term Outcomes</u> Satisfactory levels of progress in most year groups have been made following writing approaches in school however this area of learning remains a focus for the summer term. Moderation, editing and improving as well as spelling / grammar are the school's current ongoing focus. Approx 2 in every 5 children have received additional writing support either through quality first teaching or additional support.</p> <p><u>Summer Term Outcomes</u> KS2 Outcomes 77% KS2 VGPS Outcomes 77%</p>

<p>Targeted SCLN Communication support – Welcom & SPLT Programmes</p>	<p>NELi / Welcom used for learning and targeted in EYFS</p> <p>1:1 SPLT programme training and delivery for individual children.</p> <p>Pupil Progress targeted for communication & play support.</p> <p>Whole School Oracy Focus</p> <p>Oracy Poetry Basket Funding: Resources and Training (EYFS)</p> <p>Flash Academy Subscriptions (EAL)</p> <p>TA deployment to support the delivery of SpLT Programmes</p> <p>EEF Toolkit One to One tuition + 5 months;</p> <p>EEF Toolkit Within Class Attainment grouping + 2 months</p> <p>EEF Toolkit small group tuition + 4 months</p> <p>EEF Teaching Assistant Interventions + 4 months</p>	<p>Challenge 2</p>	<p><u>Autumn Term Outcomes</u></p> <p>Some children have been discharged from speech and language services as their speech is now considered to be within 'normal' parameters; 18 Children remain known to the SALT service;</p> <p>All children in EYFS have benefitted from the poetry basic work in not only communication but also memory recall.</p> <p>SCLN Interventions in EYFS have shown that many children have made progress in this area.</p> <p><u>Spring Term Outcomes</u></p> <p>18 children remain known to the Speech and Language therapy service across school.</p> <p>Poetry basket and SCLN support in EYFS has resulted in over 90% progress in speaking assessments</p> <p><u>Summer Term Outcomes</u></p> <p>12 children remain known to the Speech and Language therapy service across school.</p>

Visits to the pantomime at the local theatre in December, local church visits.</p> <p><u>Spring Term Outcomes</u> During the Spring, axe throwing, archery, coding club, dodgeball, martial arts and fencing club have all been well attended in addition to lunchtime sports club. Easter visits have taken place to Wade Street Methodist Church and children have been able to take part in dressing up days for World Book Day and history related learning events.</p> <p><u>Summer Term Outcomes</u> During the summer, children have attended safety sessions, taken part in an Olympic themed sports week, visited a Buddhist temple (Y3/Y4); Taken part in a Bake Off (Y6); Visited the Sealife centre (EYFS); Visited the Garrick Theatre for drama workshops; Watched or taken part in Chadsmead's Got Talent; and had visits from Anglo-Saxon visitors, science CO2 workshops (Y3/Y4); WW2 Workshops (Y5/Y6),</p> <p>Over the summer, children have been encouraged to take part in the summer reading challenge through Staffordshire Library service.</p>

Total budgeted cost: £ 137,000

Part B: Review of outcomes in the previous academic year

Pupil Premium Strategy Outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Please refer to our school website for previous year's Pupil Premium Strategy and outcomes:

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
National Tutoring Programme	N/A

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	In Class Intervention & targeted support
What was the impact of that spending on service pupil premium eligible pupils?	Improved confidence and increased understanding of concepts taught

Further information (optional)

Please also refer to Chadsmead's SEND Offer for each of the four areas of needs stipulated in the SEND Code of Practice as Chadsmead's offer includes support for disadvantaged pupils in all four areas.

https://www.chadsmeadacademy.co.uk/web/send_details/348171

Planning, Implementation and Evaluation

In reviewing and planning our three-year pupil premium strategy, we have re-evaluated the activities undertaken in previous years and re-analysed data. Despite pupil outcomes being lower than expected, we have triangulated evidence from a range of different sources (assessment, book scrutiny, pupil voice, teacher voice, parent voice) and used the EEF documentation to re-evaluate the school priorities. We have looked at a number of reports, studies and research papers relating to Pupil Premium and how to address the challenges presented by our socio-economic disadvantage. We have used the EEF's implementation guidance to help us develop our strategy and identify strategies we feel may help us within our school. We will continue to evaluate our plan termly and adjust our plan over time to endeavour to secure better outcomes for our pupils.
