

# Chadsmead Primary Pupil Premium Strategy Statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## Applications for Free School Meals

Parents/carers wishing to apply for free school meals should contact the school office where you can complete an application form.

Further information can be located at: [www.staffordshire.gov.uk/education/Educational-awards-benefits/FreeSchoolMeals/Overview.aspx](http://www.staffordshire.gov.uk/education/Educational-awards-benefits/FreeSchoolMeals/Overview.aspx)

Applications can be made on line at [www.staffordshire.gov.uk/Education/Educational-awards-benefits/FreeSchoolMeals/Apply-online.aspx](http://www.staffordshire.gov.uk/Education/Educational-awards-benefits/FreeSchoolMeals/Apply-online.aspx)

Infant aged children (those in Reception, Year 1 or Year 2) can receive free school meals even if they don't meet the entitlement criteria listed below. However, for every pupil registered with the council as eligible under the entitlement criteria, the school will receive additional funding called 'Pupil Premium' which we use to help raise achievement levels as stated below. Therefore, if you meet any of the entitlement criteria, have a child in Reception, Year 1 or Year 2 and have not applied for Free School Meals, it is imperative that you do so in order to obtain additional funding for your child's school.

Entitlement criteria is -

- Income Support
- Income Based Job Seekers Allowance.
- Income Related Employment and Support Allowance.
- eligible for Child Tax Credit **but not** Working Tax Credit and the household income is not more than £16,190.
- The guaranteed element of State Pension Credit
- Support under part VI of the Immigration and Asylum Act 1999
- In receipt of the 4-week run on of working tax credit
- Universal credit

Criteria can be found at:

# Part A: Pupil Premium Strategy Plan

## Statement of intent

### *What are your ultimate objectives for your disadvantaged pupils?*

- All of our children should and will benefit from the teaching and learning opportunities that Pupil Premium funding provides across the curriculum.
- All pupils have access to high quality teaching and should when they require it additional targeted support and or intervention.
- All pupils, irrespective of being at a disadvantage or not, engage in all aspects of the school's life and are treated fairly and equally.
- Pupils in receipt of pupil premium are prioritised in the allocation of increased levels of support in areas of identified need.
- It is important to take a 'long term view' to stop achievement gaps from widening. Some of our long-term objectives will take more than an academic year to come to fruition.

### *How does your current pupil premium strategy plan work towards achieving those objectives?*

- Appropriate provision is made for pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups to address identified gaps in learning, cultural capital and life experiences.
- Pupil premium spending is allocated following a needs analysis which identifies children with priority needs; those with the greatest need being children in receipt of free school meals whose progress is not rapid enough.
- Our Pupil Premium funding is spent in a wide and imaginative variety of ways, to benefit the wide variety of interests and needs of our children.
- Our Pupil Premium funding is spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available.

### *What are the key principles of your strategy plan?*

- Pupil's needs are targeted and met to ensure the most effective progress can be made and attainment achieved for an individual pupil.
- Pupil's emotional wellbeing need are met as well as any social and emotional needs are addressed through school support systems supported by pupil premium funding allocations.
- Pupil's life experiences are enriched because of attending Chadsmead in order that they are aware of the world around them and develop high aspirations for their future selves.
- We are aware that pupils who receive free school meals are not necessarily socially disadvantaged or making inadequate progress.
- We are aware that not all pupils who are socially disadvantaged are registered or qualify for free school meals.

### Effectiveness of Pupil Premium money will be measured through:

- Termly analysis of pupil attainment and progress results overtime
- Evidence from monitoring within school including book scans, learning walks and pupil progress meetings.
- Pupil voice & feedback from learning experiences.
- Impact of intervention programmes at termly review points.
- Impact of Professional Development training on staff and its impact on children
- Termly tracking of PP children – Pupil Passports & Graduated Response

Our school Pupil Premium Champion is Mrs Helen Cadman (SENCO)  
Our Governor Pupil Premium Champion is Ms Snashall (Governor)

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our assessments indicate lower levels of academic attainment and progress of some identified disadvantaged children in phonics, reading, writing and maths.
2	Our assessments, observations and discussions with pupils have found that low levels of Speech and Language development exist for a large proportion of disadvantaged children on entry and in key stage 1, which can impact on children's understanding of vocabulary.
3	Discussion with pupils and internal analysis of our redesigned curriculum has identified that there is room for development with regard to the cultural experiences / opportunities experienced by some disadvantaged children that may result in lower levels of expected achievement and self –resilience.
4	Discussions with families of disadvantaged children and low levels of attendance at parental workshops and information sessions have indicated that there is a need to support learning for some identified disadvantaged pupil's life experiences, hopes and dreams including their exposure to technology.
5	Our attendance data indicates those who are Pupil Premium and have repeatedly not met the 96% threshold / persistently absent (despite the rewards that children receive through the school's celebration systems to ensure that all children are valued and received praise and rewards throughout their time at school for hard work and the school values) indicate that their absenteeism negatively impacts on their progress.

## Intended outcome.

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Challenge 1: The attainment and progress of children in phonics, reading, writing and maths .	<p>Levels of children's attainment / pupil outcomes are improved by:</p> <ul style="list-style-type: none"> <li>• monitoring and assessing levels of attainment through diagnostic assessment (including verbal/written feedback, summative and formative assessment; reading comprehension and accuracy standardised score assessments; spelling standardised score assessments)</li> <li>• identifying gaps in learning at strategic assessment points throughout the year.</li> <li>• identifying children requiring further support or intervention to aid their academic progress and attainment.</li> <li>• identifying and measuring progress through comparison of assessment data at strategic assessment points throughout the year &amp; adapt intervention and support strategies to meet identified needs.</li> <li>• ensuring appropriate challenge and support during QFT and differentiated classroom practice is fully utilised.</li> <li>• ensure additional targeted support is put in place on a termly basis to ensure the gaps identified are addressed and learning moves forward.</li> </ul>
Challenge 2: Levels of language acquisition / speech and language communication needs	<p>Levels of language acquisition and use have been improved by:</p> <ul style="list-style-type: none"> <li>• undertaking formal diagnostic assessment through a recognised SCLN programme in school (EYFS)</li> <li>• Undertaking additional SCLN checklists to identify specific SCLN needs for identified pupils.</li> <li>• using the findings of the assessments and checklists to provide additional support during EYFS and/or make referrals to SALT for formal Speech and Language assessments.</li> <li>• Providing additional targeted support in EYFS and with individual children where necessary follow SALT assessment</li> <li>• Monitoring and tracking progress made by children undertaking additional support programmes via teacher observations, pupil voice, termly formal assessment within school and through any direct Speech and language assessments undertaken with identified children.</li> <li>• continuing to develop Oracy skills across the whole school in order to support and develop all children's speaking, listening and communication skills.</li> </ul>
Challenge 3: Additional cultural & life experiences	<p>Cultural experiences and wider curricular experiences have been developed through:</p> <ul style="list-style-type: none"> <li>• the analysis of current curriculum opportunities</li> <li>• the recording of experiences and cultural capital opportunities for Pupil Premium children annually</li> </ul>

	<ul style="list-style-type: none"> <li>• the ongoing construction and development of our revised curriculum that already includes a range of opportunities and experiences for each child whilst they attend Chadsmead.</li> <li>• a range of extra-curricular activities and wider curriculum activities to enhance pupil experiences.</li> <li>• Pupil voice to identify the type of experiences not yet undertaken by the pupils during the year that may help to inform future planning and learning opportunities.</li> </ul>
Challenge 4: Parental Engagement	<p>Higher levels of parental engagement have been obtained through:</p> <ul style="list-style-type: none"> <li>• a range of meetings, workshops, events, support opportunities and community-based experiences that involve parents in their child's learning journey.</li> <li>• technology access for parents/carers within school should parents/carers be unable to access online information relating to school information.</li> <li>• Improved communication systems with parents through an up-to-date website, weekly newsletter and easily accessible communication app (MyEd)</li> </ul>
Challenge 5: Improve attendance of identified vulnerable children.	<p>Sustained / Improved levels of attendance demonstrated by:</p> <ul style="list-style-type: none"> <li>• rigorous tracking and monitoring of attendance and reasons for absences,</li> <li>• Continuing to identify, obtain and record reasons given for all absences and act upon those which are not appropriate reasons for absence.</li> <li>• ensuring where possible that all children achieve more than 96% attendance using the DFE hub and Trust advice and guidance.</li> <li>• Continuous praise and reward of success through the school's celebration systems.</li> <li>• Continued signposting of parents and children to support services to support any underlying causes / reasons for absence that cannot be addressed within school.</li> </ul>

## Activity in this Academic Year 2023 - 2024

### Planning, Implementation and Evaluation

In reviewing and planning our three-year pupil premium strategy, we have re-evaluated the activities undertaken in previous years and re-analysed data. Despite pupil outcomes being lower than expected, we have triangulated evidence from a range of different sources (assessment, book scrutiny, pupil voice, teacher voice, parent voice) and used the EEF documentation to re-evaluate the school priorities. We have looked at a number of reports, studies and research papers relating to Pupil Premium and how to address the challenges presented by our socio-economic disadvantage. We have used the EEF's implementation guidance to help us develop our strategy and identify strategies we feel may help us within our school. We will continue to evaluate our plan termly and adjust our plan over time to endeavour to secure better outcomes for our pupils.
