Notes from Recent School Council Meetings:

- School council Members talked about the ways in which they felt our school was already a healthy school: 3 or 4 vegetable options with school dinners, packed lunches are options, fruit bowl offer at lunchtime, free fruit/vegetable in EYFS & KS1; PE Clubs, our outside space to run and do sports, climbing areas; our forest area, our orienteering courses, our gardening club / school vegetable and sensory garden
- School council members shared other feedback/requests from their class about lunchtimes lining up, wanting more sponsored events, competitive sports and after school clubs.

Current Projects:

- School council members are asked to make sure that teachers are reminded to:
 - Check worry boxes;
 - Look after sports equipment buckets;
 - Talk about school council between meetings
 - Award anti-bullying ambassadors within their class and give out stickers
- School council members will continue to share the pupil voice about issues and activities in school
- School council members will continue to work towards the school's: Healthy School's Award

Plans for the Future:

- To finalise school lunchtime and playground rule posters made in autumn term with Mrs Grainger
- To develop work around Healthy Schools Award & Healthy Food Ambassadors including offering school council as taste testers for the kitchen; looking at ways to develop healthy events in school (including running events, walking events, eating options for break/packed lunches, competitive PE events, cooking food in school)
- Feedback and pupil voice from school events between council meetings: Mrs Cadman will pass to Mrs Grainger
