

## Chadsmead Primary Academy - Curriculum Overview - EYFS Cycle A – 2022/23

Early Years complete a two-year cycle where we teach 'mini units' linked to the prime and specific areas of the development matters. The mini units incorporate both child-led and adult-led activities. Within Early Years we plan and adapt activities depending on the children's interest, therefore, some of the mini units may change or be extended depending on the children's interest at that particular time. For more detail on each of the mini units, see below.

Some subjects are taught standalone, but are still structured in a similar way which include child-led and adult-led activities. Details of these subjects are also shown below.

Please see additional document 'Subject Coverage in the EYFS Curriculum' for full coverage linked to each subject area.

## Chadsmead Primary Academy - Curriculum Overview - EYFS Cycle A – 2022/23

### Mini Units

#### Autumn 1

#### Autumn 2

#### Rhyme Time

#### Let's Explore

#### Build it up

#### Marvellous Machines

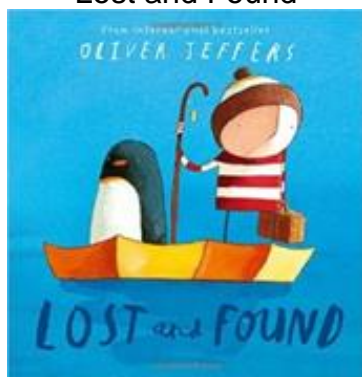

This unit is language rich that teaches children a variety of traditional rhymes, poems and songs and gives them the opportunity to play with words and learn new vocabulary.

Children will be taking part in familiar activities designed to help them grow in confidence and develop their relationships with others.

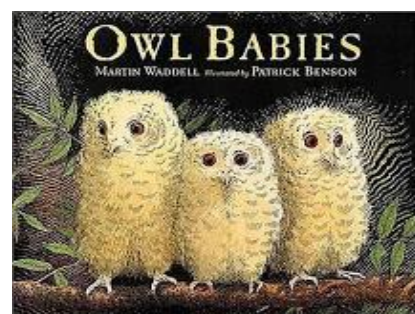

Learning about different structures and buildings that they can find in the world around them and gives them opportunities to work in groups to create their own exciting structures.

Learning about the important technology that is part of their daily lives and how machines can help us. It gives them the opportunity to build and create their own marvellous machines

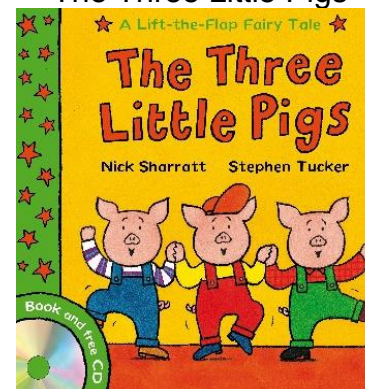

#### Lost and Found

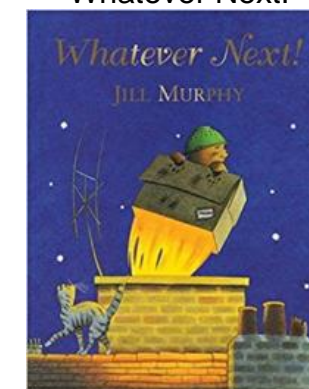

#### Owl Babies

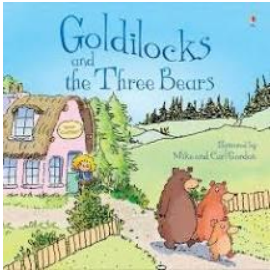

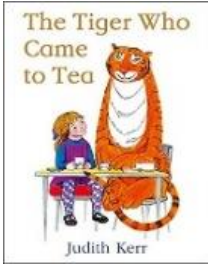

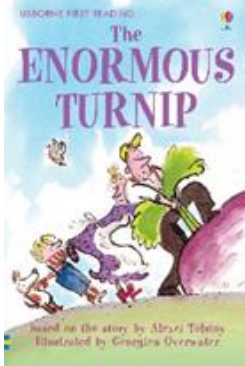

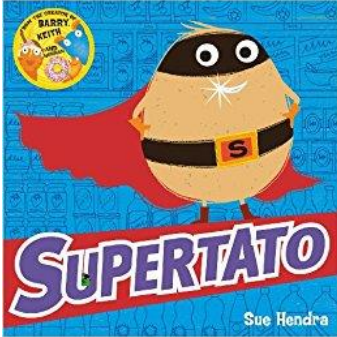

#### The Three Little Pigs

#### Whatever Next!

## Chadsmead Primary Academy - Curriculum Overview - EYFS Cycle A – 2022/23

Mini Units			
Spring 1		Spring 2	
Long Ago	Puppets and Pop Ups	Ready Steady Grow!	Signs of Spring
			
<p>Looking at how life in the past was different from their lives today, by exploring toys and games and talking to grandparents about their lives.</p>	<p>This unit explores puppets and pop up books and gives children the opportunity to make their own and use them to tell exciting stories.</p>	<p>Teaching about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and the importance of a healthy, well-balanced diet.</p>	<p>Identifying the changes that happen during spring, including how the weather changes and festivals that are celebrated at this time of year.</p>
<p>Goldilocks and the Three Bears</p> 	<p>The Tiger who came to Tea</p> 	<p>The Enormous Turnip</p> 	<p>Supertato!</p> 

## Chadsmead Primary Academy - Curriculum Overview - EYFS Cycle A – 2022/23

### Mini Units

#### Summer 1

#### Summer 2

#### Animal Safari

#### Creep, Crawl and Wriggle

#### On the Beach

This unit teaches children about the different animals that live all around the world and the importance of caring for our local and global environments.

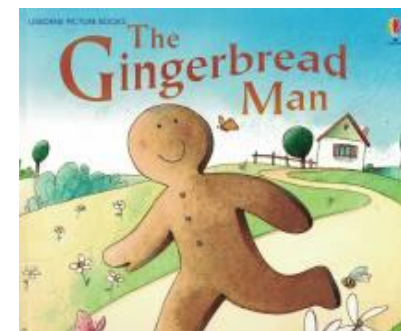

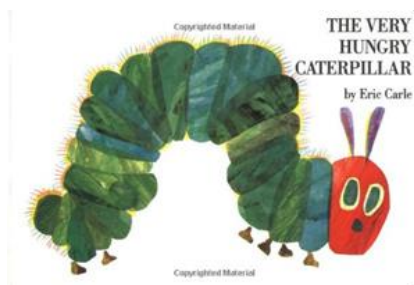

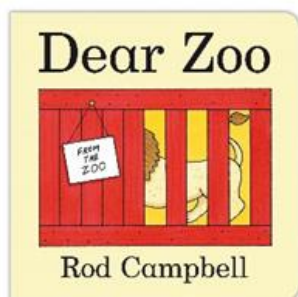

Looking at the tiny creatures that live in their gardens and local environment.

Learning about the plants and wildlife that live at the **seaside**. It also explores holidays in the past and the importance of keeping safe in the sun.

#### Dear Zoo

#### The Very Hungry Caterpillar

#### The Gingerbread Man
