Dear Parents and Carers

Online Safety Meeting for Parents/Carers

As part of our ongoing commitment to ensure a safe and secure online environment for our children, we are pleased to invite you to an Online Safety Meeting that will be held on **Monday 17th June 2024 at 9.00 am** in the KS2 hall.

This meeting is a great opportunity to learn more about the measures we take to protect our children when they use the internet at school and how you can extend these practices at home. We will be sharing practical advice, discussing common concerns, and providing resources that you can use to monitor and guide your child's online activities.

We believe that your support and cooperation are crucial in creating a safer digital environment for our children. Therefore, we strongly encourage you to attend this important meeting.

To confirm your attendance, please complete the form below and return to school by Thursday 13th June 2024. If you are unable to make the meeting but would like to access some of the videos and resources used, please indicate this below. You will be provided with a time-sensitive login via MyEd after the meeting on the 17th June.
