

Year 2 Keyboard Lessons

In partnership with Entrust, we are hoping to offer keyboard lessons for the Summer term to Year 2 children. The cost of this tuition will be £50 for the remainder of the year. Places are however limited – we have 8 spaces that will be on a first come, first served basis.

Sessions will take place on Monday afternoons during school and will be taught by Mrs Eccles, our Entrust keyboard teacher.

If your child is interested in being part of the group, please reply using the slip below by Friday 22nd March 2024. Sessions will begin at the start of next term (if we have at least 4 children to fill the group) and payment will be required at this time if your child is selected.
