Chadsmead Primary Academy

Dear Parents/Carers,

Code Club

Mrs Mullen will be offering children in Years 4, 5 and 6 the opportunity of attending Code club which will run on a Mondays after school from 3.20-4.20pm. The club will start on Monday 18th September and will run throughout the Autumn term.

During the club, children will be given the opportunity to explore and learn all about coding. They will look at different uses for Micro:Bits as well as how to use block coding to programme sprites in Scratch. Learning to code is more than just a vocational skill: it changes the way children analyse and solve problems and encourages creative thinking and collaboration.

There is no cost associated with this club. If your child would like to attend, please complete the permission slip below and return to school as soon as possible. Spaces will be filled on a first come first serve basis.

Yours sincerely,

Mrs Mullen

Computing Lead

Code Club

Child's Name: …………………………………………………….Class:…………………………………………….

* I will collect my child from Code club at 4.20pm/

*I give permission for my child to walk home after Code club (Year 5/6 only).
